Report No. 4

Aug 24, 1960

Yesterday IRENA PACEIVICIUS promised to meet me at the appointed place to-day at 10.00 hrs and to give me her final answer to the proposal I had made to her yesterday.

I waited for her from 09.45 till 12.00 hrs, but she did not come. It is very likely that, after having considered this matter, she had decided to refuse my proposal. But it is also possible that this hypothesis of mine is wrong, because I did not have a chance to talk to her.
